

Lincoln-Pipestone Rural Water System OPERATIONS MANAGER

Lincoln-Pipestone Rural Water System (LPRW) is seeking an experienced Operations Manager to work with the General Manager and staff to direct and oversee the day-to-day operation, maintenance, and specialty functions of the rural water system. Primary duties include operational planning, staff supervision and training, regulatory compliance, infrastructure and equipment oversight, project coordination, and maintaining the systems and technology that support safe, reliable, and efficient water service. Must be able to communicate effectively with staff, customers, landowners, regulators, and the public; demonstrate strong leadership and organizational skills; and have relevant experience in water utility operations, supervision, project coordination, and operational technology systems. This is a system-wide leadership position. LPRW offers a competitive salary and excellent benefits.

LPRW supplies water to over 5,000 rural customers and 37 communities in 10 southwest Minnesota counties. A complete job description is available upon request.

If interested, submit resume to: Lincoln-Pipestone Rural Water System, ATTN: Jodi Riedel, 1893 County Rd. 124, PO Box 188, Lake Benton, MN 56149. Phone: (507) 368-4248; Email: etech@lprw.com. Lincoln-Pipestone Rural Water System is an Equal Opportunity Employer.
